

HerbaNerve

Helps keep your horse calm and stress free without removing the edge required for a top class performance. Assists in the maintenance of normal muscle and nerve function. No Valerian.

Dosage*

Mix well into slightly damp feed once daily or prior to competitions or stressful events.

300kg pony: 5g (2 small scoops)

500kg horse: 10g (1 large scoop)

600kg+ horse: 10g (1 large scoop)

* For specific treatment advice or to find out more information, ask your local supplier or contact us direct.
